

BayStone Inc. hereby warrants that it's Baystone finished elements are on accord with relevant specifications. Seller's obligation and liability under this warrant is limited to replacing within one year of delivery, any product not meeting the specification, provided the product is applied and installed according to the recommendations of the BayStone specification section. Seller is not responsible for the condition of the substrate or component to which the product is applied nor the mechanical bonding of the adhesive utilized of other than BayStone provided adhesive, which meets specification requirements.

The foregoing warranty is in lieu of and excludes all other warranties not expressly set forth herein. Whether expressed or implied by operation of law or merchantability or fitness. Failure to follow BayStone storage and installation instructions will void this limited warranty.

Buyer and installer must inspect each piece prior to installation. Installer and buyer waive all defects, which could have been discovered by reasonable inspection prior to installation. This includes misalignment, misfitted parts, dimensional discrepancies and the like.

In the event a claim is made under this warranty, an authorized representative of BayStone Inc. shall have the right to inspect the products and if said representative shall determine that said products are not in accord with the relevant specification, BayStone will deliver new products F.O.B. factory or refund to the buyer the amount paid to BayStone for the products.

BayStone Inc. shall have no liability to any person, firm or corporation whatsoever for incidental or consequential damages such as but not limited to labor, finishing coats, parts damaged by freight carriers, freight charges, installation, lost profits, lost sales or the like.

*Warranty not valid without authorized corporate signature.
